

Presentation Technical

Project Category: B1AI DEVOP1

Author: Roni Fernandes Dias / François LANGE

Date: June 24, 2026

Technical Presentation Outline

DevOps technical highlights for Project Antigravity.

- 1. **Port Offsetting**: Offsetting by 1000 eliminates local conflicts.
- 2. **Git Filters Smudge**: Automated author signature insertion during pull operations.
- 3. **Zabbix Custom Trappers**: Active push metrics via raw TCP sockets.
